

GPSR safety assessment, BRIX TubeMaster on card (B-5211-X)

Technical documentation:

Art. No.: B-5211-X

Description: TubeMaster tube squeezer on card (2 pack). No moveable parts.

EAN-13 barcode No.: 5709587006164

Country of origin: Israel (invented in Israel; made for Brix Design in Israel)

Size: 9 x 4 x 1 cm

Net weight: 20 g (2x10 g)

Colours: White

Material: ABS plastic

Description:

The original TubeMaster is an elegant and little helper that squeezes out the last bits of toothpaste and expensive cosmetics of the tubes.

TubeMaster squeezes out the last remains of the tubes in a simple way that leaves nothing inside the tube. The tube is easily mounted through the slide of the TubeMaster, and by pulling gently towards the lid the tube is emptied out.

The TubeMaster is made of high-density ABS plastic in an elegant design. TubeMaster has no sharp edges or points, no moveable parts, and is extremely durable.

Dishwasher safe.

Internal risk analysis:

No specific risk of any kind. Safe to use.

No specific environmental risk. The product/ can be recycled.
